March 2018

Dear Parents,

Wow!! March is here and we are having a great time at preschool. Learning, dancing and having fun!!

We would like to thank all the parents who donated snacks and organized the Valentine's Parties; the children had a great time. Also thanks for all the beautiful valentines and gifts we teachers received.

March will bring our study of March winds; (Everyone can wear hats the week of March 5th-9th for "hold on to your hats" week); Dr. Seuss, St. Patrick's Day and Spring.

We are very proud of the children that wrote their own Valentines. (Even our three year olds did an awesome job)! It is becoming very evident how much all the children have learned and grown in so many ways. Again we are very proud of them! We are always glad to see parent involvement. It will always benefit you and your child!

The children have been diligently working on their alphabet recognition. A few of the children have learned all the capital & lower case letters. We are so proud of all the children. We will continue to work on the capital and lower case letters as well as the sound the letter makes. Soon we will begin the PALS testing which will cover letter recognition (Capital & lower case), letter sounds, rhyme awareness, print awareness and name writing skills. Please work with your child at home on these skills which were outlined in packet sent home. If you should need another copy please let us know! The children seem to be enjoying the weekly homework. They are doing a great job!! Keep up the good work!
