

## FLOYD BAPTIST PRESCHOOL NEWSLETTER

### January 2018

Dear Parents,

It's hard to believe a new year is upon us. The last few months of school have flown by! We look forward to a great New Year!!

We would like to thank everyone for the wonderful gifts we have received for Christmas! Our hearts are warmed more than words could express. (The baked goodies were wonderful) During this time of giving, we too appreciate the generosity each of you showed. With your generous donations we were able to bless 2 Nursing Home residents & Elementary children this year.

Also, Special Thanks, for all the food and treats donated for the parties. We also appreciate those who organized and carried out the wonderful parties! The preschool is very blessed to have such wonderful supportive people. We were especially blessed by the children during their Christmas programs. The children worked very hard and did a wonderful job. We were pleased so many people came to see the children and hope everyone enjoyed themselves.

We were so proud to have over 200 food items donated by our Preschool families. That will make some nice meals for someone in need this holiday season. Thanks so much!!!!!!

Our Christmas break will be December 20- January 2<sup>nd</sup>. We will return on Wednesday, January 3<sup>rd</sup>.

A big change will take place for the Monday, Wednesday and Friday classes only, when we return from Christmas break. When the children arrive at school they will have work waiting for them to do. This work will need to be completed before they can play. We feel this routine will better prepare them for kindergarten. Please discuss this change with your child so they will better understand why preschool is different. January we will continue working on the alphabet. We will also work on numbers, counting; rhyming and talk about winter. The children have been doing a great job on their homework! Keep up the good work!

We would like to also let you know that we have been learning about manners and the respect we should show to others. Please encourage your child to use their "magic words" at home: (Please and Thank you)...and discuss how important it is to "Treat others as you want to be treated."

Also, just a reminder that if public schools are closed due to inclement weather then we are closed. If school is delayed we go on time. Please watch your local news for updates or check their website. You may also call the school closing and delay line, the number is 745-9495.

We pray that each of you have a blessed holiday season! And as always, if you have any questions please do not hesitate to contact us!
